

# Our Local House Gin & Tonic Menu

---

We work with three gin distillers, all local to Exmoor and North Devon. Wicked Wolf gin is made by Pat and Julie in Brendon, near Lynton. John and Nicky at Exmoor Distillery in Dulverton make several gins and a spiced rum - if you fancy a great day out, you can do a fascinating tour of the distillery. Quentin and Sadie make Atlantic Spirit near Appledore, and they are passionate about foraging for many local botanicals in a responsible way. If you would like to take some home, you can buy these gins in our gift shop
